Dear Colleague,

On behalf of the Weill Cornell Medical College, we cordially invite you to attend the 3rd Annual Cornell Pain Medicine Symposium on Saturday, November 7, 2009 at Weill Cornell Medical College.

Our faculty includes nationally and internationally recognized experts in pain medicine. Clinical experience and evidence based on basic science research and clinical states for interventional pain management for chronic cancer and non-malignant pain states, and Medicolegal issues will be discussed.

This symposium should provide a valuable experience for pain specialists, physicians in training and other health care professionals. We look forward to seeing you on the Upper East Side of New York City.
